I first meet her while in rolling as a freshman in Tomball high school. She had a big smile and was very funny and helpful. Have had those memories for many years. She was something.

“ So sorry for the loss of your loved one. I met Linda when I was working for Pyrofax Gas at Texas Eastern years ago. We became and remained good friends. I will miss her laughs and smiling face. We had some great times at the beach house and other get togethers with friends and family. I will keep the memories of her in my heart forever. May God give you comfort and peace during this time of sorrow.

Love you,
Connie Reed

“ As we grieve the loss of our beloved Linda, let us remember her when she was full of life. Her laughter, silly antics, and compassion are provide my greatest memories of my Aunt Linda. She was my greatest supporter. I know that anyone loved by her can say the same thing. I remember most that Linda was there for me with a hug and advice and a comforting pat, pat, pat of her hand on mine. My Aunt Linda, the woman who could make me laugh at any given moment, the woman who understood me, the woman who was a champion of those she loved will be sorely missed.
