“ Condolences sent to John Miller and Kandi Perry in the loss of Linda. She was my “wife- in-law” and I loved her very much. Linda was willing to share Kandi with me the last 41 years, as my daughter too, and for that alone I owed Linda so much- the joy Kandi has brought to my life as well as her brothers, Richard and Kyle. Linda and I became close friends through the years which many couldn’t understand.. doesn’t happen often that the ex wife and new wife become friends! But we were, and I will miss Linda, very much. Love you my friend❤️
