“ Lonnie is my best friend, coworker and bridge partner. I remember Lonnie and me driving my 73 Volkswagen to a Bridge tournament in a blizzard from south St. Louis to St. Charles MO and back. We had some great times after work at SLRX playing shuffle board at the old Gildersleeves tavern and playing pool at the old VFW hall by Minnie Wood Park. I met Lonnie when we visited my wife's parents by the old Lemp Brewery on Broadway. I sure didn't expect Lonnie to leave us. The world will be a smaller and less friendly place. Best wishes to Lonnie's family and friends. I've known Lonnie's kids since they were little.
