I will always remember the many times I ate at Luby's with your family growing up, the time you picked me up for Wittney's 16th birthday and we cracked jokes at each other on the drive to the galleria, the Disney trips we took with y'all and the last time I saw you, was when you gave Wittney away on her wedding day. Your love showed to your kids and you will be greatly missed. Please tell my daddy hello up there and give him a hug from me. Until we are all together again 💙
