“ Mack was an awesome man and friend! He was always there to help. He was like a second Dad to me. He was a big help to me when my father passed I remember talking to him while I was waiting to board my flight to Colorado. Mack also pushed me to better myself by giving book suggestions and then quizzing me . To many memories to list. He will be missed dearly. Give em hell up in heaven Mack lord knows you gave most everyone here on earth a hard time, but that only meant he liked ya!
The world has lost a great man.
My condolences to Mary and the rest of the family.
