

## Marcella Joyce

March 3, 1956 - March 8, 2019

Marcella Mohr-Joyce passed away peacefully March 8, 2019. She had several complications with her health and her body could no longer fight, she was 63. There are many words we could write to describe her, but she was best known for her love for her family. She had a sweet, kind heart, a heart that never stopped giving. She spent the best years of her life raising children and being a best friend, a wife and companion to her high school sweet heart whom she was married to for 43 years. She would have told you, her grandbabies were her everything. She will be missed deeply but will forever be cherished in our hearts.

She was preceded in death by her parents, Robert and Doris Mohr. She was survived by her three sisters, Terry, Rhonda and JoAnn, as well as her husband, Ed Joyce. Her 4 children: Daughter, Jennifer Emery and son in law Paul Emery. Daughter Candice Esparza and son in law Jasen Esparza. Son Michael Joyce. Daughter Kella LeMoine and son in law Nick LeMoine. She was blessed to be given 14 grandchildren. She was known as Moppie to Dillan, Elizabeth, Azariah, Katy, Tori, Evie, Ellie, Abby and Maggie. Ethan, Tristan, Braylon, Braxton and Kenzie knew her as their Boppie.

“ *My sweet little sister, Lella, I miss you already. You were the sweetest, kindest person, but also the biggest prankster/ joker who always kept us laughing. If I hear the window blinds rattling, I'll know you are up to your old tricks! Until we meet again in heaven, I'll love you forever.* ”

“ My beautiful mama.  
Your smile always brightened my days.  
You taught me to love without limits, to care for everyone the same, without regard to religion, race or anything else.  
I brought many many friends home and you welcomed them as if they were your own.  
I wasn't exactly the best teenager but you held on, loving me every second of the way. Some days were tough love, others were softer, but the whole way, it was unconditional.  
I will always be grateful for the love you gave me and teaching me how to be a mother.  
I will carry on your quirky, mischievous, prankster attitude forever.  
I will always love you and I know you will always be with us.

“ *My beautiful, sweet momma.*

*Oh I miss you so much already. My heart aches. I know you are finally at peace and your body is at rest. You left me with so much love and taught me how to forgive and taught me how to love. You were the light of my life and the reason I am who I am today. My momma, your cuddle bunny is being taken care of now, you can rest. Your babies will forever hold you close to their hearts. Your young men Ethan, Tristan, Your twinkies, Braxton and Braylon and your mischievous little rugrat Kenzie Jade will be better because of you. You gave them the gift of love and I could never thank you enough for that. Your son in law misses you dearly too momma. He says he sees you so much in these kids.*

*Thank you for your time with me, thank you for giving me the gift of having the best momma in this world. My heart will ache because I miss you but it will smile because I know you are no longer in pain.*

*I love you momma*

*Love your cuddle bunny, forever and always.*

“ *Marcella Joyce also known as my second Mother was a wonderful woman! I spent most of my teenage years with the Joyce family! I was always welcomed and treated as her son. She listened to me and loved me unconditionally and always made me smile with her smile and her awesome sense of humor. She was a loving and dedicated Mother and loved her husband and the Lord. I will never forget the sweet memories she has left with me.*
