

## Margie Cutler

February 20, 2012

The Addison family and staff would like to extend our condolences to the Cutler family in their time of grief.

Margie Cutler

September 14, 1927 - February 20, 2012

Margie Burton was born in Sebree, Kentucky in 1927. She married James Cutler in 1941 and raised their five children with great love and an unforgettable sense of humor. James passed away in April, 1973. Margie survived each of her six siblings: J.R., Frances, Virginia, Betty, Imogene, and Donald. She moved from Henderson, Kentucky to Conroe, Texas in 2004 with her long-time companion George Kurtz. She will be laid to rest in Magnolia Cemetery next to her son Carl.

With much resistance, we release her from our arms to God's arms. She'll be missed more than we can say. Her greatest legacy is her children, grandchildren, great-grandchildren, and extended family.

My favorite memory of your mom was the time I flew over the  
handlebars of my bike. My bike was so bent up I couldn't ride it, so  
we walked our bikes back to your house. Your mom was so kind  
and comforting...I didn't know how badly my chin was gas*
