

## Mark Hiley

January 21, 2025

Mark A. Hiley was born in Leamington Spa England 3/26/1953. Mark lived a full life of love and joy.

Mark traveled and lived in many countries and States before moving to the Houston area in the late 1980's, where he worked in sales for a publishing company. He retired in 2020.

Mark was known to be an intelligent, caring man who loved life. He navigated life with a brilliant sense of humor, and a wonderful smile. He was very passionate about reading and storytelling and loved to cook and learn about History.

Mark will forever live in the hearts of everyone that had the privilege to know him.

Those we love don't go away. They walk beside us every day.

Unseen, Unheard, but always nearby. We hold them in our hearts in every way.

You will be missed, such a beautiful soul, never forgotten.

The Addison family and staff of Magnolia Funeral Home extend condolences to Mark's family and friends during this difficult time.

“ I’ve known Mark since 1994. Honestly one of the smartest men I’ve known. He dictated history as if he was there. His smile and positivity was endless. His culinary skills (Indian, Chinese, whatever culture) were epic. My wife’s family adopted us early and he became one of the family. Uncle Mark to the kids and grandkids. He had resigned himself to a single life and then came Rita. She forced him out of his mold and truly allowed him to enjoy life. I know his last years were his best with Rita by his side being the partner he always sought to share life with.
