“ Before I was born he had a brain injury. Growing up I saw the Martin after the injury. One day someone showed an old video clip before the accident, a day at a lake. He was with his family and friends, It was so neat to watch. The smile he had said it all! He was so Happy!!!

I'm his youngest daughter. I remember getting to go see him when I was young, as a young adult I lived in the same area as him. On my wedding day, he walked me down the aisle.

He was loved by many and a friend to all! Love you Dad. Thank you to all of his caregivers and family who took care of him. The one race dad was sure to win.....who could finish there food last ;)
