“ You will always hold a special place in my heart my friend. I will miss you tremendously I'm so sad we didn't get to take our trip to the lake to go fishing but without a doubt I know you are in a better place now. I will miss our tea parties and prayers together. You were an amazing example of Gods love.

“ *The Lord has perfect timing. We are so blessed that we had the opportunity to know you. Since 1987 when your beautiful daughter Cheryl (God rest her soul) came into our lives and then you were a part of it as well. I saw all the love you had for your children and grandchild at that time and your family grew as they so often do. You certainly had a way about opinions and we had some wonderful debates over the years and I'll miss your laugh. You and Gerald (God rest his soul) were an incredible example of love and marriage. You will be missed by many and I know that the Lord's face now shines upon you, the one whom we all desire to see some day. I ask that you watch over us all on this crazy Earth and put in a good word to the Lord as I know you will continue to pray for us - your family and friends. Mary - Thank you for being my friend and know that David and I are here for Steve if he needs anything, so don't worry he still has us too for family to reach out to. May your legacy live on through your grandchildren, great grandchildren and through all those people who's lives you touch. Rest in peace and may perpetual light shine upon you. Say Hi to Cheryl, give Gerald a hug and while I didn't know Ricky, I have a feeling he was right there waiting to hug you again. Love you Mrs. Mary. Until we meet again.*

Aunt Mary, I can't begin to count the memories of when we all lived in magnolia, good, sometimes not so good and sad. I know that that beautiful, full of life smile is back on your face being back with uncle Gerald, Cheryl and Richard and of course God. May you rest in eternal peace and happiness. Love always
