“ Aunt Alice was such a special person! I loved her and enjoyed the times she would come to Tennessee and spend time here. Our favorite thing to do was play the game “aggravation” or marbles as Aunt Alice would call it. Her sister’s Jenell (my mother), Dora and Claudia along with myself would play that game for hours! A lot of laughter and memories were made around the table. She will be greatly missed by all that had the privilege to know her especially her children and grandchildren which she loved so much! I’m so thankful for the time we had with her. She lived a good long life and now is with our Lord and Savior. My thoughts and prayers are with her children, their spouses and her grandchildren!

“ Mary or Alice as she was always known was the best sister anyone could ever have or want. She always had a kind word of inspiration and was such a gentle soul. I talked with her on a weekly basis both as a brother and friend. She always had words of wisdom and encouragement. I know she is with her Lord and Savior Jesus Christ. I miss her already and I will miss her each and every day for the rest of my life. She was loved by so many wonderful friends and family. I am so thankful to have a sister like her.

Alice is what I called her. She was such a Beautiful Lady inside and out. I know her family will miss her dearly. Heaven has gained another Beautiful Angel. Rest in Peace.
