

## Matthew Jaroszewicz

December 28, 2024

Matthew Jaroszewicz, of Magnolia, TX, age 66, passed away on December 28, 2024, surrounded by his loving family. Born in Detroit, to parents Mark and Christine Jaroszewicz, he is survived by his beloved life partner AlohaDebs, and cherished brothers Stefan and Jan, and sister Anne Jaroszewicz. He is further survived by treasured nephew and nieces, Chris Jaroszewicz, Kathryn J Yuma, and Abby Jaros, as well as beloved companions Scoobie the dog, and cats Spider and Kitusha.

An Army veteran, Matt enlisted at the age of 25, serving his country with distinction through multiple tours and as a combat veteran, earning an honorable discharge. Following his service, Matt pursued his lifelong passion for music. Widely respected for his musicianship, he toured the music scenes of New York, Florida, and Texas, sharing his love for music with fellow artists and audiences far and wide. Matt's business and personal travels took him across the globe, including time spent in India, Germany, Central and South America.

The majority of Matt's career was spent in the aviation and automotive industries. In 2017, Matt joined Hunter Engineering where he achieved amazing success while forming numerous strong personal and working relationships. The Jaroszewicz family members want to express a special thanks to the entire Hunter organization for their support in not only helping

Matt realize success during his active years with them, but especially for their unwavering and warm support during his extended illness.

Matt was a master storyteller, captivating everyone who had the privilege of hearing his tales. His humor, wit, and ability to connect with people were unmatched. He had a strong, and sometimes stubborn, spirit and was fiercely protective of those he loved. Beneath his larger-than-life presence was a kind and gentle soul who always put his family first. And as the youngest of four siblings, Matt delighted in supporting his nieces and nephew in their life endeavors and surprised them in their early years by dressing up as Santa Claus and performing magic tricks that left them in awe.

He fought valiantly against the cancer that invaded his body, showing courage, strength and positivity every step of the way. Matt's resilience and determination were a testament to the indomitable will he carried throughout his life and were an inspiration to us all.

Matt will be remembered for his unforgettable stories, the music he's made and played with so many, his infectious laughter, and his unwavering love for his family. He was an extraordinary man who touched the hearts of many and will be deeply missed.

A memorial service to celebrate his life will be announced at a later date. In lieu of flowers, please consider making a donation to the Wounded Warrior Project <<https://support.woundedwarriorproject.org/>> in memory of Matthew Jaroszewicz.

The Addison family and staff of Magnolia Funeral Home extend condolences to Matthew's family and friends during this difficult time.

“ I loved Matt like a brother. He was such a great guy with an outgoing and loving personality. Matt had so much musical talent. I'm sure he's up in heaven forming a band with John Lennon, Keith Moon, Jim Morrison and Eddie Van Halen. I will always cherish our childhood memories together. Steve Brandon

Matt and I go back to our childhood days. Like Steve I remember the drum set in his back bedroom. We tried to form our own band. Me i could only contribute with an air guitar. I spoke to Matt a few years ago after he became successful as a musician. We always said we would get together some day.. we will miss him and always hold on to the fun times of our childhood. Prayers go out to Matt's family and he will be missed Tom Hansen

Matt was a brother and a friend to all that were lucky enough to know him. I shared the stage many times with him and Jash. Just one of the warmest, nicest guys to ever grace the planet. Just the best! My condolences to Debbie, Jash, and his entire family. 🙏

“ I have worked with Matt for a few years now. Matt was always a kind person to converse with during our busy days. You will be missed and he reminded me times "it's all about the bass" Jim McWilliams

“ I played a couple open mics with Matthew at the Whiskey Bar in Mont Belvieu. Our band was the house band hosting the open mic and we loved when Matt would come and jam with us. He was a top notch musician and a kind soul. I'll never forget us showing him some of our original music and him complimenting my bass line. That kind of stuff from an older musician means a lot to a younger one. My condolences to the family. He will be missed.
