“Gone way too soon. Such a great guy, you always had a smile & a kind word for everyone. You were there for our family when my Dad passed away. You were one of the good guys and you will be forever missed. Love and prayers for your family.

“Hey my buddy. I just wanted to say that I'm going to miss you and miss the fun times, we had. I know we didn't get to see each other lately but man the golf and cook offs that we did was awesome and we've known each other over 35 years. You were always smiling and taking care of something for someone and you were such an honorable man! God, bless you and rest in sleep til we met on the other shore. Love you Maxie! See ya soon Bull!

“ *I Am Free*

Author Unknown

*Don't grieve for me, for now I'm free,
I'm following paths God made for me
I took his hand, I heard him call
Then turned, and bid farewell to all*

*I could not stay another day
To laugh, to love, to sing, to play
Tasks left undone must stay that way
I found my peace ... at close of play*

*And if my parting left a void
Then fill it with remembered joy
A friendship shared, a laugh, a kiss
Ah yes, these things I too will miss.*

*Be not burdened... deep with sorrow
I wish you sunshine of tomorrow
My life's been full I've savoured much
Good friends, good times
A loved one's touch*

*Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.
Lift up your hearts and peace to thee
God wanted me now
He set me free*

Forever in our hearts. From the time he was a child he was always a part of the pack, Jesse, Spook & Maxi and so many other young mischievous boys around the house and always on the go. They grew up, stayed close friends, played and worked hard to make a life for their families, there will never be another.
