

Micah Ferus

March 10, 2026

Micah Ferus, age 10 of Magnolia, passed away in a tragic accident March 10, 2026. Survived by his parents Timothy Ferus and Jacqueline Ferus and two brothers Benjamin Ferus and TJ Ferus, Grandparents Joe and Tammy Johnson and Michael and Paula Ferus, Uncles Daniel Johnson, Samuel Johnson, Asa Johnson, and Alex Ferus, Aunt Hannah Johnson, and multiple cousins.

There are many ways to describe Micah: cheeky, permanent child, wiggly and loving. Everyone knows that smile he gave. His whole face lit up, double dimples he was born with, bright blue eyes with golden specks, the golden specks he checked frequently that he still had, and he had that glint when he was thinking wickedly. He never wanted to grow, protesting when he needed to go up in clothing size, still squeezing his tall and slender body into clothes too small. His nickname was little wiggles. Even in the best of times, he was always moving, wiggling, and attempting to dodge attempts at correction. He was also very loving. The first to jump up for a hug, the first to chase you down the driveway to say goodbye, eager to greet you when you came home. Everyone was his friend and he always wanted to come with you, regardless where you were going. He described himself as a “healthy, adventurous child”.

His infectious smile and laugh will be fondly missed, irreplaceable, silly, and fun. There is not a single corner he did not touch. Almost every inch of our

lives is full of his life and memory. He is not gone. We wake to his absence and dream of his future. In our hearts he stays always smiling and laughing, but we will try to let Jesus give him the hugs we can't. May we all, one day, see him again.

The Addison family and staff of Magnolia Funeral Home extend condolences to the Ferus family during this difficult time.

“ I knew Micah and his brothers from children’s ministry at Graceview. They were always so full of energy and laughter. I hope his brothers and parents as time passes will be able to more and more dwell on the wonderful memories they shared and the reality of seeing him again one day soon!

“ My dear, Buddy Boy, Micah, How blessed we have been to have these past ten years with you, our fun-loving fellow! We are so thankful that the Lord has allowed us to live in Texas for the past five years, so that we got to spend many times together and make the memories to which we will cling. How I remember you coming out to the car after we left the hotel to your house, so you could sit with me while I finished my Bible reading before we played. Every time I see Taco Cat Goat Cheese Pizza, building with Domino tiles, a boy learning to bat, pumpkin pie, and/or trips to the park I will think of you and remember all the laughter. Before our last visit two weeks ago, you told me on the phone to bring Pie in the Face. Just you and I played it together before we left. When it was time for us to leave to travel back to Waco we looked for you to join us for Carol Burnette's good-bye song and prayer, but where were you? TJ ran upstairs, but you were not there. We called out the front door, but there was no answer. We finally told TJ to tell you good-bye and that we loved you and proceeded to get in the car. SURPRISE! You were hiding in front of the car and came running to give us wonderful hugs. How we will miss you. Thank you for the special love you gave us in our lives! Grandma Paula Ferus
