

Michael "Mike" Eppler

February 18, 2023

Michael Eppler, age 77, passed away in his home in The Woodlands, Texas on Saturday, February 18, 2023. Mike grew up in Tulsa, Oklahoma where he excelled in both academics and athletics. He was a high school All-American basketball player and an All-State player in both basketball and baseball. He earned a degree in Chemical Engineering from the University of Tulsa, where his accomplishments were just as numerous and noteworthy. Mike was scouted and signed to the New York Mets during his sophomore year in 1966. Mike was a visionary, businessman, and entrepreneur, and his career pursuits brought him all over the world. He knew the petroleum industry from all sides and had a mind for addressing the highly technical challenges and opportunities the industry offered. Though his accolades were numerous, Mike will be remembered most for his loyalty, sense of comfort, love, and inclusion of others. A beloved son, husband, father, uncle, Grandad and friend to all, Michael leaves behind his wife, five children, and eleven grandchildren.

Memorial contributions in memory of Mike may be made to Teen Challenge TX, Tunnel to Towers Foundation, or a charity of your choice.

“ Mike and I attended and were in graduating class of Tulsa Central High School. We probably had a few classes together. I remember him as a fun loving and caring guy, and a pretty darned good baseball player (and basketball). I’m sure he’ll be missed by all who knew him. Love and prayers to the family.
