That is so nosy and tacky to ask. Have some class.

“ *Sweet sweet Hunter I have been in the family now for 15 years and you always made me truly feel like I was part of the family, like I was your actual cousin and not just married to one! Everytime we got to hang out together was full of laughter no matter if we were laughing at someone or just laughing at the fact that we loved out cookie straws the lady at Starbucks gave us. You will surely be missed and you were taken way too soon! Love you always!*

“ Hunter, my best friend and my brother. From the moment I met you I knew we would be best friends. You were brave, caring, funny, honest, gentle, warm-hearted, loyal. We used to be inseparable. We used to recite all the lines to the movie ‘White Chicks’ until it got on everyone’s nerves. You knew me like no one else did. You always stood up for me. There wasn’t a moment we weren’t laughing at something. I just talked to you two days ago, I was supposed to see you at Landry’s for thanksgiving like I always did every year, but This time didn’t hear back from you. I didn’t realize it was going to be the last time I talked to you. If I could of only saw you one day earlier.

Those special memories of you, will always make me smile, if only I could have you back, for just a little while. Then we would sit and talk again, just like we used to do, you always meant so much to me, and always will do too. The fact that you’re no longer here, will always cause me pain, but you’re forever in my heart, until we meet again... I will always love and remember you.

This was our song “Summertime Sadness” by Lana Del Rey ❤️

“ That beautiful smile I see on your face assures my heart you’re in a better place. I am wholeheartedly blessed that you made such an impact on me and the girls. They’re convinced the wings you carry are pink and your hair is done just right. I’m forever grateful for the times we had and memories I get to take with me. God broke our hearts to prove he took the best... we love you so much
