“ *First, my sincere condolences to the immediate family (Aunt Verna and Cousin Kaybreyelle), my cousin Chris Ervin, to my mother Brenda Green and to my Aunt Winn, and to the rest of my family in the loss of our beloved Uncle Milton Green. Many memories I have with my Uncle Milton that I will forever cherish. The last of my uncles bearing the Green name to depart this life has greatly impacted me at this moment. Great responsibility rest on the shoulders of us that yet remain in carrying the Green name. Praying peace, comfort, and consolation during this time.*  
*Love Nephew Lacy (Poop) Green*

“ *Words can't express the way I am feeling right now, you were the last Green brother to be called home. We know you are in a better place you can rest peaceful now you are with family. I remember when you were home visiting Michigan, and you came to my parents' apartment on 5900 bridge rd. I received a history lesson that evening my dad told me I needed to listen to this because the school was not accurate. I am thankful I shared the memory with you. You will be truly missed. I know UOFM has a fab 5, but they don't compare to the Fab 5 Green Boy's. Kiss granny for me and give all my uncles a great big hug for me. Love you always your Niece Kimberly Green.*
