“ I will always remember Aunt Miriam from the many Rees family reunions throughout the years. She had the dignity and the demeanor that seemed to make her the matriarch of the Rees clan. I never had the privelage of being around her much in recent years

“ Aunt Miriam, We remember the zest for life you had and the times when we saw you in Des Moines at mom's house. You would be up walking the neighborhood early in the morning enjoying the things aroud you. You will be missed.

“ Aunt Miriam was a delight to be around and will be missed dearly. We never saw her without a smile on her face even when her hearing and eyesight were failing her badly. She just dealt with it and enjoyed life. I know she is looking down upon us today wit
