“ The death of a loved one is the most devastating experience a family can face. At times, the loss may seem unbearable, but know that there are those who care, and more importantly, God cares. Psalm 34:18 tells us that God "is close to the brokenhearted."

“ Neal was one of the kindest, genuinely good-hearted people I have ever known. He would stop traffic to rescue a lost animal, and was the most loyal, reliable person anyone has ever been to his parents in their time of need. Miss you big brother.....

“ Neal worked very hard his whole life. He truly loved Debbie and she truly loved him. He became very close to our father in his later years and was very saddened by his passing. He was always ready to help the people he knew.
