“ *Nicole lived a life of profound significance that cannot adequately be expressed in words alone. She brought the complete range of human emotions into the life of her family and helped them to live and love more fully. And Nicole knew how much she was loved. She was given the best care possible on her 47 year earthly journey. Even with disabilities that most of us never know, hers was a life well-lived. To Bennie and Nikki, Tatia, Chantelle and Jarrod: You did all you could do to enable her to live the best possible life. Now she is forever pain-free. May the grace and love of God bring you consolation in your grief whenever you are missing her in the years ahead.*

*We love you,  
Glendell and Bonnie Smith*
