“ I will always be grateful for the time we shared and the memories we made together. You loved me and my son with a kindness and devotion that meant more than words can express. You welcomed us into your heart, and the bond you shared with my son was something truly special.

Being a part of your life was something I never took for granted. I will remember your smile, your laughter, and the way you cared so deeply for the people you loved. The love you gave our little family and the impact you made on our lives will never be forgotten.

Thank you for the memories, the lessons, and the moments that brought us joy. You will always hold a special place in our hearts, and we will carry those memories with us forever. You will be deeply missed and lovingly remembered.

Thank you Destiny you are very sweet young lady and It was a pleasure meeting you. Take care of that beautiful little one I know Riley love both of you and wanted to be here for you. He loved the little ones and wanted someday to be father. He would have been one of the best dads ever. Now he will be watching and protecting from that heavenly place.
