“ Trish in the fun days of the 70's at our grandparents house, sitting in our Grandfather's chair. This truly represents our her/our fun funky days of music and 8 track tapes. She loved Motown music and dancing so much. But especially singing! 💕💕💕

“ This was our sweet Grandfather “Bigdad” lovingly holding her when she was a baby. She was so very loved and her spirit shined bright since the very beginning. She had spunk and fire in her, but most of all she had love.
