“Daddy I am going to miss you so much! I will always treasure the moments we had together. I enjoyed every minute of taking care of you and helping you with whatever you needed me to do. I enjoyed the last few months of you living with me and hearing your stories. I smile because I know you knew how much I loved you and I cry because you had to go. Now you can Rest In Peace and be with Wayne and take care of my Savannah for me. Please watch over us all and help us get through these days without you here. You will forever be in our hearts! I love you daddy...you will always be my inspiration! Love your Daughter, Janice 💜
