“ *Our grief goes deep. We have lost someone who is irreplaceable. Steve My Father in law was a gentle spirit he was a quiet man who loved loudly. He has guided and formed my husbands life, he has made an impact on myself and my girls lives. And his absence will be felt for the rest of our lives. there is a great loss, a missing puzzle piece asking for prayer and strength for the family as we lay him to rest today. Rest in Heaven Steve Yorek!*

“ *To my Brother from Kim
The Broken Chain
By Ron Tranmer
We little knew the day that
God was going to call your name.
In life we loved you dearly,
In death we do the same.
It broke our hearts to lose you
But you didn't go alone.
For part of us went with you
The day God called you home.
You left us peaceful memories.
Your love is still our guide,
And though we cannot see you
You are always at our side.
Our family chain is broken
and nothing seems the same,
but as God calls us one by one
the chain will link again.*

“ *Not only were you like another father to me, for a while you were also my boss. You gave me a job when I needed one and helped me out. I learned a lot from you in the 5 or 6 years that I got to know you, from either being at work and helping me there or being at home and helping from time to time with all the jewelry box that you made. I personally never knew you to be a man of many words but I know you always loved and cared for all of your family and friends. We all miss you and love you. Until we we all get you see you again Steve, I know you'll be waiting with open arms.*

“ Oh Daddy, where do I even start... I never thought that I'd be going through this so soon. You left me so broken and unfulfilled. I can't stop thinking about all the future events you will never physically get to see and do with me. My most looked forward to event all my life was you getting to walk me down the aisle on my wedding day. I know you raised me to be a strong gir and keep my head held high so that's what I will always try to do that for you. I want to thank you for not only being the most amazing influence to me but to all my other brothers and sisters as well. Don't forget to watch over all of your many grandkids as well, lord knows they will forever miss you. Walk with me everyday Daddy and give me the guidance and strength that I need to comfort Momma from now on. You will never be forgotten this I promise you.

“ There is something incredibly special to say about a man that chooses to love you like his own child. I was lucky enough to be raised by a step-father that loved me unconditionally. I'll always Cherish the memories we built together and all the life lessons you taught me over the past 26 years. I am missing you deeply and loving you always.
