“ You murder my sister and took the cowards way out. I will never forgive you our your son. I hope you never rest in peace. You don't deserve it. You've been a terrible man all your life.

You are truly a piece of work. Your sister didn't stay where she didn't want to. She made the decision to be with him. You better hope nobody is throwing real stones at you someday. As far as I know God had not died and you did not take his job. I would imagine it's the drunk ravings on drunk man, that has regrets. Shame on you. He's not suffering, you are and you are doing to yourself. Lighten up or you will die a miserable death with no friends left. I will pray for you to be able to let your anger go, before it eats you up. But just know this, God passes judgement, not you or anyone else on the human soal. Please get help.
