“ *I'm sure this comes to a shock to most of the family and friends that knew Madrid as it did me. May his family be filled with many fond memories that he made throughout the years. May God Bless his Family.*

“ *Rudy was a friend and great man. I worked with him for many years at North shepherd. First met Rudy when I was assigned to Greens Point in the mid 90's. As a rookie he treated me well and showed and taught me how to become a Police Officer. Although we did not see each other very much after he left for the Airport, when we did run into each other we always enjoyed catching up and talking like old friends do. I will miss you my friend and will smile or even laugh when thinking of you. Prayers to the Madrid family.
RIP my friend.*

“ Rudy and Family:

Words cannot fully express what Rudy meant to this world, especially to those who worked with him in the Houston Police Department. Rudy was always there when you needed anything; whether it was to assist a fellow officer in need, or to lighten things up with his smile and timely humor. Rudy was a person everyone loved and nobody could ever say a negative thing about. He was my mentor when I was a rookie in Greenspoint and was a supervisor's gift, as he always took care of his business. Rudy will be missed forever and will never be forgotten. Thank you from the bottom of my heart for everything you've done for ALL of us! Love you brother!

“ *Very sorry to hear that we have lost a great man. I first met Rudy when I was a rookie on the department. He was one of the few people that did not treat me like a rookie. I had spent 13 years in the Marine Corps before coming to HPD and he treated me with respect. Of course once he got to know me, he would always mess with me, but in a brotherly way. Rudy called me "Gunny" because of my rank in the Corps, but it never stopped him from messing with me. I have always had a lot of respect for him and even now, hearing of his passing, I will always remember him and respect him as the man he was. Until we see each other again, take care my brother.*

“ *My heartfelt condolences to the Madrid family. Rudy and I were in the academy together, Class 140. Although we have not seen each other in many years, the few times we ran into each other at work, it was great speaking with him. He was always cheerful. I recall him speaking fondly about his family and his Akita dog(s). May God comfort you during this very difficult time.*

When Rudy came to North patrol, I was already an "old head". One couldn't help but like him. His smile and attitude was great. We spent many hours together working an extra job, and we were always joking with one another. God's speed little buddy until we see each other again.

Rudy would always ask if you needed help doing anything, and didn't mind helping a fellow officer if there was a need. He made coming to work fun if you were around him because he always say something to make you laugh. I've enjoyed the years working with you ,and even though I retired, we stayed in touch by phone or text. I will truly miss hearing your voice my brother/friend. You had to know Rudy if you ever worked around North Shepherd Greenspoint or the airport, you had to know Rudy. He was a great police officer. He was fearless. Any assignment, any task, he would give 100% and always with his signature contagious smile... Rudy loved his work and those who worked around him...He was and always will be family.. He loved to share stories of all his family from lil Red to Junior Bob.. Rudy made going to work a pleasure. I have one doubt that stories and memories of Rudy will continue to live on in all of us that had the honor and privilege to call hi friend and brother... Heartfelt prayers continue for his family. Rest In Peace, Rudy..

Rudy was truly a solid example of a friend and a first class police officer. Always willing to jump in, always willing to help out and lend a hand. All those decades of working with Rudy on patrol, on overtime and on different assignments, I was always glad to have him at my back and by my side. He was trusted, reliable, and fun to be around with a smile on his face and an apt bit of sarcasm that somehow always perfectly fit the situation we found ourselves in. God bless you and your family Rudy. You sir will be missed!
