

Regena Jones

November 12, 2021

Regena Lea Loper Jones was born in Baytown, Texas to Archie Lee Loper and Mollie Bernice Loper. She entered her eternal reward on November 12, 2021 in Houston, Texas at the young age of 72 years.

She is survived by her mother, Mollie Bernice, her daughter Tiffanie (Husband, Clay) Scarborough, step-daughter Jennifer Pasquale, step-son Michael Jones, sisters Martha (Husband Mike) Conway and Teresa (Husband Dale) Eddins, grandchildren: Jacklyn, Jessica, Ericka, Jeremiah, Rachel, Noah and Benjamin and her great grandchildren too. She is preceded in death by her father, Archie Lee, her husband, Herbert L. and her son-in-law, Rick Pasquale.

Regena grew up in Highlands, Texas and attended Robert E Lee High School in Baytown. She attended Lee College and worked for NASA and several other government agencies, serving for 38 years as a government support specialist, most recently with the US Customs & Border Protection, always doing life with a smile and acts of kindness and care. She loved music and serving in ministry at her local church was a delight for her and all those who knew her.

She had a zeal for life, always living life to its fullest. Her gentleness disguised her strength. She was an excellent musician, deal hunter, genealogist, Grandma Gena, Mama, and great friend. She loved to travel and explore new things with those she loved. Always seeing the good in

others, her life was a testimony to the love of Christ.

The Addison family and staff of Magnolia Funeral Home send our condolences to the Jones family during this difficult time.

“ *Regena always had a smile and kind word. The memory that makes me smile most, as I think of her sitting in her office, was that she always had piles of projects all around her. I think piles mean that you've got a lot going on, and she did... She did her job well and cheerfully. I think that people with a clean desk must need some more assignments. :) Rest in Peace, Regena, the piles are gone now. Mike Honsinger*
