

Reyna Rodriguez

January 17, 2024

Reyna was a goofy child with a contagious smile that was easy to get along with. She loved hanging out with family and friends. From the day she was born, she could fall asleep anywhere at the drop of a hat. She loved listening to music, her LED lights, being outside, riding her hoverboard, thriller and horror movies, and going to Top Golf. Most of all, she loved her dogs and the new puppies. She always said she didn't understand football, but loved the Titans. Reyna always wanted to help those in need whether it was with a smile or a hug.

The Addison family and staff of Magnolia Funeral Home extend condolences to Reyna's family and friends during this difficult time.
