“ *Though it was not your plan, you left us too soon. You were a wonderful brother, and friend. The only reason I can go on without you in my life is that I am sure you are in heaven. I miss you terribly Bob. I love you. Keep the back door open for me. Brother*

“ *Dear Kathey, Katie, and Josh,*

Bob was such a sweet, kind person - always cheerful and encouraging. I remember being in a small group Bible Class with him at Tomball United Methodist Church, and we were all impressed with his deep sincere Christian faith

“ Kathey, Josh, Katie, Leana & Chris,

I am very sorry for your loss. I can tell from how much you cared about him that Bob must have been a wonderful man. It was a real pleasure getting to know such a great family these past two weeks in the CCU waiting
