“ I met Rob & Kathleen while I was working with my Dad in the Bail Bond Industry. Our office was located right across from the Tomball PD. They were very welcoming and friendly. I feel blessed to have met them both and having our paths cross while living in the Tomball area. Most recently I had reached out to Kathleen to see if Rob might be able to answer a few questions my son had about the police force. She was gracious to help me. Rob not only said yes, but he took it a step further and even wanted to meet with him in person. I was so thankful for him offering to go above and beyond. But just proof of his genuine down to earth personality that I know so many loved about him. My deepest condolences to Kathleen and the children. Keeping you all in our prayers.

“ Dear Kathleen, Lauren, Conner & Maddie, Lou & I are so saddened by the shocking news of Rob’s passing. He was a great friend who we both feel so blessed and privileged to have had. Rob was by far the most sincere, generous, giving, and caring person. We enjoyed our gatherings with Kathleen, Rob and Rob’s Dad, Joe immensely and we will miss Rob & Joe terribly. Our special and fun memories of our time together will be cherished forever. May God bring you all peace, comfort and strength as you mourn his loss. Love, Linda & Lou Schamble

“ Rob was a bright light for all who met him. We sang together at Resurrection Lutheran Church in Redondo Beach, California. His favorite song to sing was "I Can Only Imagine". I can still hear him sing with a big smile on his face. Heaven now will enjoy his beautiful voice and spirit. RIP Rob, you will be missed by so many! Debra K.

“ To Kathleen and the Hauck family, I am beyond saddened by the news of Rob's untimely passing. I will always remember his smiling face, upbeat personality, energetic perseverance and perhaps most of all, his sincere friendship. Rob was by definition a dedicated servant leader and a true inspiration and positive role model to all who had the distinguished pleasure and distinct honor to know him. I will miss his company and fraternal friendship immensely. I hope you find solace and comfort knowing I will keep all of you in my thoughts and prayers during this most difficult time of distress and sadness. Matthew 5:4 Blessed are those who mourn, for they shall be comforted.

“ Growing up on different coasts, I didn't have the opportunity to have a close cousin relationship with Rob in our younger years - there was also the 14 year age difference so we didn't have much in common! Fortunately for me, he moved to Texas as an adult and very close to my best friends who I visit regularly. Over the past several years, I was blessed to form a loving bond with him, and for that I am truly grateful. He was one of a kind, a true leader and example to his children and all those he touched. God bless Kathleen, Lauren, Maddie, Conner and his entire family. There will be an empty space in our lives forever.

“ *A class act with a quick smile. The very model of public service. Rob was a gift to Johns Hopkins University, his PELP cohort, and his instructors.*
