“ I was a young kid when I met Ronald. I would come over to visit and he would go out and play tennis with me. He would also put some old westerns on tv for me to watch. Ronald you are in my prayers and I'll be with you soon on the altar as I get ordained a priest next year.

Let perpetual light shine upon him.

“ I have so many fond memories of Ronald! Growing up across the from the Huffs on Barbara Street in Mesquite, I spent many fun days at their house watching TV, jumping on the trampoline and just "hanging out". When Ronald started college; I remember sitting with him at the kitchen table, solving math problems together. It wasn't long before Ronald outpaced me in the math arena! Wow! What a truly remarkable man he was and such an inspiration to me. Our last visit together was at the beach house and he made Salsa Verde for us. The Ogden Family will always love the Huff Family. We love you and are praying for God's peace and comfort in the upcoming days. Dina, we are so happy that you and Ronald had so many wonderful years together, creating beautiful memories I know you will always cherish. Kay Ogden Simmons.
