“ *When I think of Roy, I will remember a great man and a great soul! Farmer strong and walking in to work with colorful Hawaiian shirts flip flops and colorful shorts that would always come with that smile. A quiet leader that set an example for all of us to live by!*

“ *I had the pleasure of working with Roy at Crown Cork and Seal, for 14 years, he was always in good spirits and a joy to be around. I left Crown in 2007 but we kept in contact from time to time, and it was always uplifting to speak with him. Roy will be missed, he was a wonderful person, the world needs more like him. My prayers go out for Roy and his family and everyone else effected by his departure from us.
God bless*

“ Roy and I started on the same day at then Continental Can Company in 1985. He was a great team mate from day one. I have so many great memories of projects we worked on together and how he could do anything. He played a huge part in the success of CCC, now Crown, in the start up process. But more importantly, Roy was a dedicated family man, a great friend to all who knew him, and he knew Jesus. I know where Roy is now and I hope to join him some day. He will be greatly missed by all that knew him and especially by his family. My prayers and deepest condolences are with his family and all who knew him. Rest in peace Roy.

“ We were blessed to get to know Roy and see him, on occasion, over the last 7 years. His son, Ro, married our daughter, Megan. What a wonderful Father and Father-in-law he was to them! (And such a sweet Grandpa to their little boy, Andrew.) Our prayers are with the Higgins family as they go through this most difficult time. We know Roy will be greatly missed, and many fond memories will be treasured!

“ *Memory; Roy invited me to go hunting with him one morning. We got out to the deer stands early that morning and he dropped me off. He told me to go down this path a ways and I would see the deer stand. I found the deer stand, climbed up into it and got myself comfortable. As soon as the sun finally rose, I found that Roy had set me up to scare me by setting a snake skin on the window ledge. What a surprise. Rest in peace Roy.*

Roy and I worked together for 37 years at Crown. He and I in our younger days hunted and played softball together. He was one heck of a family, man and employee. You went on his days off. He would be on a tractor or backhoe moving dirt or doing some other job. He would literally give the shirt off his back if you needed it. You will be missed, but never forgotten rest in peace.
