

Sandra McFadden

September 28, 2024

Sandra grew up in the Heights, graduated from Reagan Senior High and enjoyed telling her competitive grandkids that she was captain of her bowling team. She was an avid cook, reader, and gardener, but her greatest love was people. She had the heart of a servant, never met a stranger, she was kind and compassionate to all. While her priority was caring for her family, she spent many years managing school cafeterias, where she served and was loved by children and faculty alike. In retirement, she soaked up the grandchildren and was the official “timer” when Billy watered the garden!

She is survived by her devoted husband of 60 years, Billy McFadden, her children Duane McFadden and wife Ann, Lori Polan and husband Troy, Kelli Smith and husband Roy Bennett and honorary daughter Jill Lemons, as well as her brothers George and Johnny Shepherd.

She will be remembered fondly by her grandchildren: Josh Vaughn and wife Nicole, Matt McCartney and wife Michelle, Seth VaughnHuffer and husband Trever, Jordan McCartney and Bethany, Ethan McCartney and wife Lindsey, Andrew Vaughn and wife Drina, Emily Harper and husband Michael, Jacob McFadden, Bryce Polan, Christina Haynes and husband Bryce, Kendall Ouellette and husband Deven, and Kelsey Taylor. She is also survived by her great-grandchildren: Kaitlyn, Abby, Alan, Nola, and Rhys Vaughn; McKenna, Court, Beau, Christian, Greyson, Conrad, and Colt McCartney; Riley Ketterey, Hunter Harper, Karlyn and Laken Haynes; Weston and Everly Ouellette.

She is preceded in death by her parents, GA and Tessie Shepherd, sisters JoAnn Bigby, Jamie Sue & Carol Jean Shepherd, and great-grandson Jordy McCartney.

Her memory will be cherished.

Sandra had a heart for children and a strong conviction that no one, especially a child should be hungry. In fact, most of her work career was spent managing school cafeterias. She spoke fondly of those years stating, "That was a great job, I loved it!"

The Addison family and staff of Magnolia Funeral Home extend condolences to the McFadden family during this difficult time.

“ I will always remember Sandra & Billy who greeted us when we moved in next door more than 20 years ago. Sandra was a friend to everyone. Paul & I enjoyed visiting while sitting on their patio. I still use recipes Sandra shared. Of course our group of neighbors enjoyed tomato fest at Sandra & Billy's and shared many bonfires and good times together. Grateful to have known you both. “ We remember Sandra as always having a smile on her face. She always made us feel welcome in her home. And she was a great cook! We remember the wonderful tomato parties. One year Rick gave himself a birthday party and Sandra insisted on making his favorite, a delicious coconut cake!!
Yum!
It was our privilege to know her and have her for a friend.

“ Lori and Kelly sorry for your loss. As I looked at the different photos it brought back memories of us all growing up in New Caney and of course Oakley Addition. Your moms smile and laugh are what I remember. Then I saw the photos with your dad and it brought an extra smile. Thinking of your family during this difficult time.

“ I am so sorry for your loss. Sandra used to be in my Bunco group for years in Magnolia. We had so much fun together with all our Bunco Babes - the laughter, the stories, the dinners and prizes, the love. Sandra had a fun-loving personality and we all enjoyed her so much. She will be greatly missed.

“ The 4th of July gatherings will never be the same without Aunt Pegs Beloved Friend, Ms Sandra. She was such a HAPPY PERSON to be around, Her quick comebacks and Great stories of her Family who we could tell she loved each & everyone of you very much. My favorite was Her precious Grandson who's football games she rarely missed....She Loved his hug he gave her at every game while she was in the stands. I pray my 2 Grandson show me that much love one day! You all were very near and dear to her heart! Now, Uncle Gary rarely gave compliments IYKYK...But he loved her famous Lemon meringue & Coconut pies & he made sure he got 2-3 slices of those pies each time she made a pie... We all loved those famous pies and all of our 4th gathering folks will miss those pies, her taco soup and anything else she always showed up with... But, Most of all We will miss her BIG Beautiful smile she always had for everyone she met...She had such a kind and caring Heart. Mr Billy, our hearts go out to you and all of her beloved children. Please call Darrell if you need anything.

While her spirit is resting peacefully in heaven...Her presence will live on forever through the hearts she touched while she walked this earth...Our Heartfelt Condolences

“ Sandra was a beloved member of our Cimmaron Country Ladies Lunch group. Her kindness and generosity were enjoyed by everyone in the group. She spoke often and lovingly about her children and grandchildren. Her cooking skills were legendary as she shared favorite desserts with the group. Her sense of humor and stories about funny times in her life are sorely missed. I will always remember her enthusiasm for fun and adventure. My deep condolences go to Billy and the rest of the family. I'm grateful for having known her.
