

## Scott Provenzola

October 1, 2021

Scott James Provenzola passed away on October 1, 2021. He was born in Garden City Michigan on May 12, 1969 to James Robert Provenzola and Melba Jean Provenzola.

Scott had many passions and hobbies he explored, all which were centered around the automotive industry. He enjoyed his share of fast cars and motorcycles. He also built lasting memories on many a campground with family and friends over the past years. He dedicated much of his life to serving God and his family. He was married for 15 years to his loving wife Brandi with whom he built a beautiful life together. He was her best friend, and forever partner. He was known as a hero and best buddy to both of his children, Caleb, 20 and Isabella, 14. Scott was an amazing father. He always had their best interests at heart, and they were loved beyond measure. Scott had an awesome sense of humor and an ability to fill a room with his presence. Everyone that met Scott, inevitably loved Scott. He was dependable, trustworthy, and had a heart of gold. He had so many talents and strengths, many of which allowed him to fix cars, motorcycles, and various things around his house and others. If only he were still here to fix all of the broken hearts he has now left behind... Scott will be forever missed ♡

He is preceded in death by his father, James Robert Provenzola.

He is survived by his wife Brandi, son, Caleb and daughter Isabella; his mother Melba, sister Kristal; his In- laws Nick and Erin Covanes, and Jeremy and Amy Covanes; his many beloved nieces, nephews and countless friends.

The Addison family and staff of Magnolia Funeral Home extend condolences to Scott's family and friends during this difficult time.

“ I have so many. The first time met Scott was when they had to evacuate Houston because of the Hurricane and they came to Aunt Lindas and I was trying to find the booze stash so we could celebrate the hurricane. Never found it. Lol. But my favorite was and always will be his relentless never ending search for the perfect coffee maker for his Brandi. Any thing to put Starbucks outta business. Mr coffee, kurig. Top of the line espresso machine. But none could compare so Starbucks it was anything for Brand the before church banter on the way to Starbucks on Sunday was the best entertainment I had in years. The competition between him and Jeremy was the best the same house on the same block. Jeremy built a BBQ pit. Scott had a pool put in. Or vise versa. I couldn't keep up. Setting back and watching the love of brothers sisters babies being born . Weddings funerals no matter what was going on. He was there. He loved and respected his wife. He was and is the real deal. You will be missed Scotty. I know this famy was blessed to have you in it. Thank you Aunt Nee.
