“ There are so many memories I could share, but the one I so often think of was of my wedding. Sean's selflessness and kindness were shown in every action. Greg and he had not kept constant contact, but when Greg called Sean and asked him to be his best man. Without a 2nd thought, Sean came from CA. Greg was humbled and honored to be there later Sean called him to stand at his wedding. Sean was the brother to Greg that he could count on. To say we loved Sean and will miss him is an understatement. Sean will live on always with us, partly because Greg named our Sean after him (speaks how highly he thought of Sean), but mostly cause he showed such kindness and love to us at every turn. I know we will see Sean again, we will remember the Flintstone fun and the many fun times we shared. It will be a day we will rejoice with the King together ❤️ until then, rest in peace, our dear friend.

“ Sean was always a great co-worker. He had a great sense of humor and always an upbeat outlook. I remember him sitting in his truck playing his guitar as we sat on surveillance for hours. I will never forget the very kind gesture of he and Peppa traveling to East Texas for my mother's funeral. I am sorry for your loss.

“ I share often with my students about Sean sharing his home and telescope with the neighborhood as we viewed an incredible celestial event. His generosity was certainly appreciated. I know I'll see him again in heaven, and we can talk all about the stars and planets!! He has just been promoted to be face-to-face with his Lord and Savior.

“ Sean was generous in sharing his love of classic country music with me, and now he's surrounded by the music of angels. We'll play together again when I get to heaven. Praying for peace that passes all understanding for Peppia and family. God Bless.
