“ Dad, please know that you were an awesome dad and Papa. My favorite memory of you when I was young was “the claw”!! You would chase us around and get us with the claw. I’ll never forget those days of laughing hysterically with you. I always thought there was nothing you couldn’t do, build things, work on cars, work on electricity, fix anything. I never had doubt that if it was broke, you could fix it. I will miss you everyday for the rest of my days. Love, Doodle
