During his last several years he took interest in volunteering for the Texas Raiders and their restoration of the B-17's in Conroe, TX. He was granted the title of Loadmaster and was thrilled to take part in several of their flights.

“ *Barb and I are so very sorry to hear about the sudden passing of Steve. I know he was very optimistic right up to the end. Steve was a great friend and avid golfer back in the day. He served as our commissioner of the golf group for many years with distinction. Steve was one of the most likable and helpful people I know. Steve loved his family, golf and business and was good at all of them. He will be missed by many.*

Steve may you rest in peace and we will see down the line.

Your friend,

Louie Huey
