Everyone who became acquainted with Terry always had the same things to say about her; she had the biggest heart and the sweetest smile of anyone they ever knew. Her deep love for her family and friends, and her strong faith, were integral parts of her, as were her compassionate and caring spirit. She embodied those qualities in so many ways - from the joy she took in being with all of her extended family and her friends (both old and new), to the prayers, support and healing she gave to anyone she felt needed them. Terry reached out to everyone she met with a big smile, an open heart, and a listening ear, and so she made friends everywhere she went, and touched and blessed the lives of everyone who came in contact with her.

She loved all animals, and expressed love that through her care for her own beloved cats over the years and the donations of food and supplies she made to the SPCA every Christmas. She loved music, allowing it to provide a calm in any storm, a celebration of any joy, and a connection to anyone.

Terry was blessed with so many gifts ... a beautiful voice, a huge heart, a joyous spirit, a devout faith, and an amazing amount of love. Her biggest delight was in sharing those gifts with everyone around her. As she said, "it's why God made me!", and now she's with God in Heaven, with her angel wings made real. We will all miss Terry, her bright spirit and the light that shone in

her so strongly, more than words can say, but we take comfort in knowing that her light and love now shine down on us all.
