“ Libby and Family-- I am so very sorry for your loss of Gerry. I am blessed that I knew Gerry-- and you, Libby-- I love you! The love of Jesus-- and the certain hope of Gerry's eternal life in Heaven with his Savior Jesus makes my heart happy at this sad time-- his life reflected his faith-- I loved his smile, friendliness and kindness. What a gentleman! I pray that the Holy Spirit gift the Luther's with peace and comfort that goes beyond human comprehension. Love,
Bruce

“ Gerry was just a wonderful person and a joy to be around. I have the privilege of working with him closely for several years on the Chamber of Commerce board, and Gerry was just one of those positive, energetic people who everyone greatly respected and loved being around. He was a tireless volunteer in the community and contributed much to everything he was involved in. We will miss him very much! His devotion to his faith and his family is an example for all of us. My deepest sympathies to Libby and his family.

“ Libby, my condolences to you and your family. Gerry and I were great friends over the years. I remember playing pool at his house during high school, playing football together, and many evenings drinking beer on shores of lake Mathis (to name a few). In the scope of eternity, life on this earth is short, and we need to be prepared. I feel confident Gerry was prepared and we know where he is, but we will still miss him. I wish you the best during these tough times.
