*I have some very good memories of the Burdicks when we lived next door.
Nell was always a comfort for ny mother and a good influence on her.
She always had a smile on her face and kind word to say.
She will be missed!*

“ *I remember visiting Verne and family. Verne was milking a cow. She tried her best to teach me how to do that. I just could not milk the cow.*

Verne was always a gracias host when we visited. She was always cheerful.

John and I will not be able to attend the services. Our granddaughter, Hannah is coming to visit to Raton, New Mexico with her husband and our three great grandsons. We are leaving Bryan early Wednesday morning to drive there.

I wish I could be there for the service. Sandra and Cindy, please know that you have been and will continue to be in my prayers. I always admired your mom for making sure y'all stayed in touch with your dad's family. She didn't have to do that and she gave all of us a special gift by doing so. I love y'all and I will be there with you in spirit. May God bless and comfort you!
