“ *On one of our visit to see Susan and Keith or son Jordon shared a memory of how Jean held him in the crook of her arm and listen to the story he told her about Keith and the cows. He said it felt good and safe . She listened and made him laugh. Then we ate cookies.*

I am so sorry to hear of Ms. Grant's passing. She was a second mama to me during my years at Williams Elementary. Both my boys remember her fondly.

Truly a pillar of the Magnolia Community for more years than you can believe and a smiling face to all. She always had a kind word for all. Always one of the first to show up when you needed support. My mom would always say "Jean always does more than her share! You can depend on her!" You were blessed to know her and she let you know she loved you. The world could sure use more of her love and kindness. We know she heard these words "Well done, my good and faithful servant" Peace be to her soul and her family. Nancy Satterwhite Perryman

*My sincere sympathies go out to you, the Grant Family at this very difficult time. I hold many fond memories of Jean. When I think of her, I remember how she loved preparing Holiday Dinners and opening her home to family and friends. Everyone was welcome and there was always food to send home with visitors. And those pies....no one could make pies better than Jean could!!! I have been a guest in the Grant home many times over the years and always felt welcome. I close my eyes and hear the stories along with the laughter. Always the laughter!! Knowing Jean has been a true blessing and the lessons learned will always be with me. May God Bless you all.*
