“ *My heart aches for you and with you. Wayne was a gentle soul and a good, good man who was a hard working, devoted family man. His was a life well lived, and he'll be missed. My hope for you and your brother is that the thousands of happy memories made with your Dad will buffer the waves of grief you now endure, and that the peace that surpasses all human understanding surrounds you and soothes your aching hearts. Love you!*

Wayne and Rosemary were by far the best inlaws anyone could have asked for! David and I were very lucky. Wayne's passing has marked an era for the two of us. Wayne fought the good fight after Rosemary passed away and remained pretty independent until about a year ago. His mind was sharp till the end, appreciative of everyone and everything.

His love of Rosemary was one of the things keeping him going... he knew one day he'd be reunited with her.

Thank you dad for all the years!

Thank you for everything.. you know what we mean...

Love you bunches!
