

## William "Bill" "Chip" Bauer

January 6, 2024

William Bauer, aka "Bill" or "Chip", age 59 of Cypress, passed away January 6, 2024 following a motorcycle accident. Bill never met a stranger. He made friends wherever he went, like the line at the grocery store or with someone across the room at a restaurant. Everyone who knew him knew he was a man that could be counted on. Someone who would come through whenever he was needed. He was funny, strong but also tender. He was a man who loved hard and with all his heart. He cherished his friends, and family and was a Man of God.

He was united in marriage with Starla Bauer who he has now joined in heaven. They were blessed with 2 daughters, Crystal and Stephanie. He was born to William F. Bauer Sr. and Kathryn L. Mitchamore who also welcomed him into heaven.

He is survived by his daughter Stephanie Bauer and her husband, Ryan. His Daughter Crystal Bauer and 3 beautiful grandchildren, Gabriel, Grace, and Ezra

The Addison family and staff of Magnolia Funeral Home extend condolences to the Bauer family and friends during this difficult time.

“ *To Stephaie and everyone else. Losing my friend Bill is like losing a part of me.*

*He was a kind, gentle spirit and genuinely loved playing guitar. He was my Telecaster "compadre". I will miss him, but I know he is now with His Savior and Lord; I envy him.*

*I have fond memories of Bill that will stay with me forever. One of these memories is how at work my dog thought she was the guard dog and went after everyone, including Bill. She was pure evil... all 12 lbs of her.*

*Every day she went after Bill, except at lunch time when they became best buddies. He would sit down with her every day at lunch and cut her off 1/4 of his sandwich and would hand feed her little by little.*

*Then once lunch hour was over it was back to business. She would terrorize him again until the next day at lunch time.*

*He accepted their relationship and it was special.*

*He was such a good man and I know without doubt that he is in heaven.*

*You left this earth too soon though buddy.*

*Bill was on stage with pastor Mike, Robbie and I, playing country gospel music at the Cowboy Church. All the above comments are true about Bill. He liked the steel guitar sound, along with pastor Mike's guitar playing. I've considered Bill a brother and friend; of whom was a delight to share the stage with. His presence was every part of Sunday worship; worshipping the Lord, in common accord. Upon learning of Bill's passing, I cried. Though, I haven't seen him in the past couple of years; he still remains as a friend/brother and a blessing that I will miss.*
