*My mother and part of my soul. She was my mother, BFF and a hero all in one. She was an excellent mom and showed her love! She was funny, caring, loving and amazing. Mom was the best person you could ever want for a mother.*

*I don't even know where to begin. It's still hard to this day to talk about her in a past tense. My mom was my hero and BFF. She was always there for me and was the best mom any girl would ever dream about having! She was funny, caring, a good listener, and most of all my mother! She taught me right from wrong and how to really love. I miss you every day and NO it doesn't get easier!*
