“ *What a wonderful woman, Nonie was. She treated everyone she met like family. I am eternally grateful to her because she cared for my sister, Kelly, while she was struggling before her passing. I don't think Nonie ever met someone she didn't immediately befriend. She loved well and was well loved. I am praying for all of you in this hard time. RIP Nonie! You will be missed, but I am celebrating your entry into Heaven and your reunion with your beloved husband and all of your other loved ones.*
